MONDAY 7 DECEMBER · ONLINE · OPEN TO FOUNDERS ANYWHERE

Help each other. *Grow together.*

We are not creating a room. We are creating an environment: a global vibe of entrepreneurs and builders who motivate each other to keep going. Lightning Call #1 is where it starts, with live 60-second pitches, small industry rooms and open networking.

WHY THIS EXISTS

"As a Founder, I have attended numerous networking events, but I have observed that very few of them are specifically tailored for Founders and investors."

PRASAD REDDY · FOUNDER & CEO, CAELORA

Founders go to many events, but few are made for them. Caelora Community is a curated, global ecosystem for entrepreneurs, with one core principle: **help each other and grow together**. Introductions are made by a person on our team, and only with consent. Our first Gathering was held in Dubai on 29 September 2026. We grow city by city, and members can join from anywhere.
